# SIZES

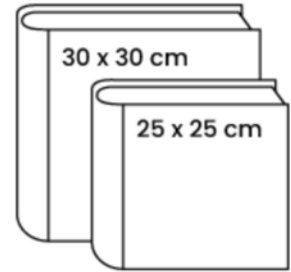

## Portrait

## Landscape

## Square

These are the most popular sizes but other sizes are available.

## SMALLER DUPLICATE ALBUMS

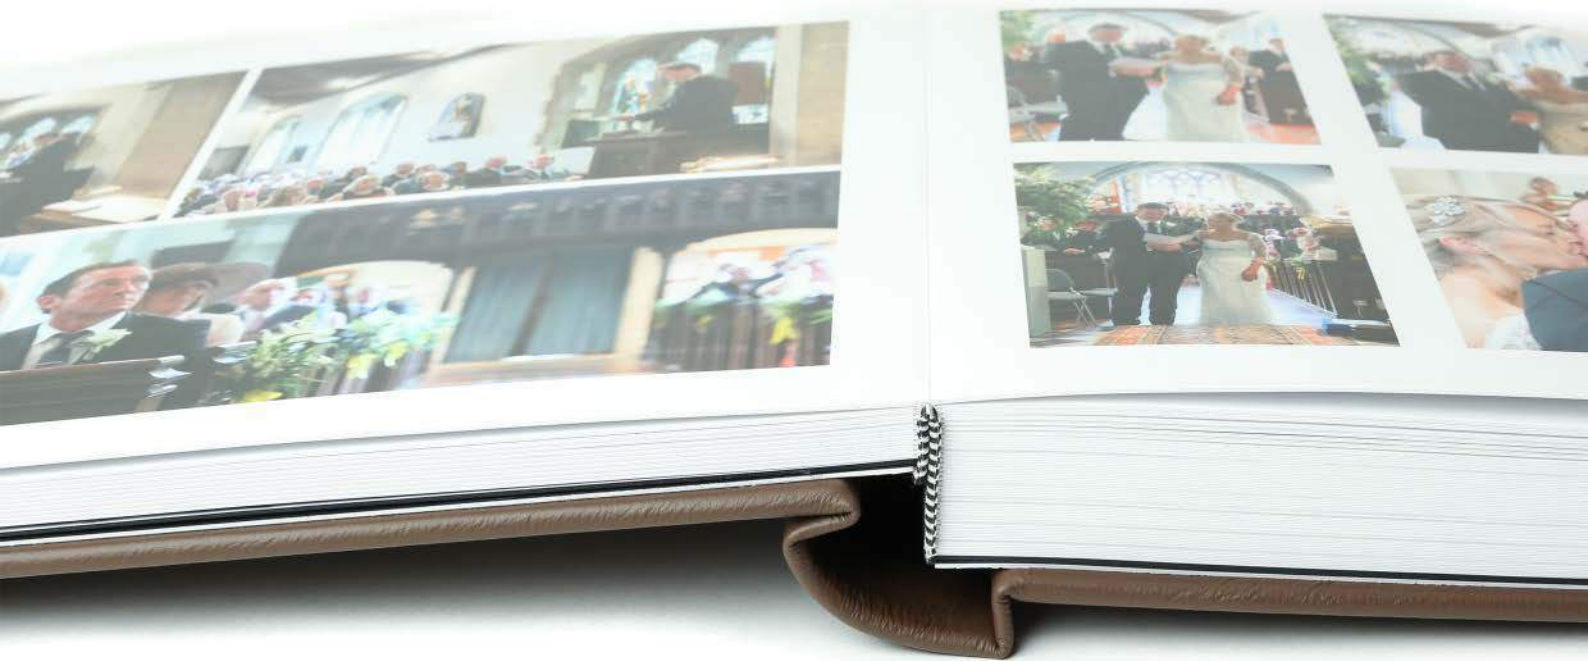

These are perfect to add to your package to give out to friends, family and the bridal party.

Printed paper duplicates are available in both hardback and softback format.

Most people go for either A5 or A6.

# Design

Once you have chosen which images to include in the album, I will arrange them and send you a proof of the album for approval / minor adjustments.

You can even include speeches, a copy of your invitation / save-the-date, seating plan and so on!
